

Curriculum vitae

Steve Meszaros

Chief Executive Officer (CEO)

Yanfeng Automotive Interiors

Steve Meszaros is the CEO of Yanfeng Automotive Interiors (YFAI).

In this position, he is responsible for the strategic orientation and management of the world's leading automotive interiors supplier. YFAI has its headquarters in Shanghai and operates its business from Asia Pacific, North America, and Europe and South Africa.

Steve was born in 1963, and has held senior leadership roles with several automotive and multi-industrial companies over his 32-year career. He began his professional career with Ford Motor Company in 1986 and spent 27 years in a succession of leadership positions with Ford and Visteon Corporation in North America, Europe and China. Steve served as General Manager of the Yanfeng Visteon (YFV) Joint Venture in China from 2001 to 2005. From 2005 to 2013, he served as President of Visteon's Electronics and Interiors Product Groups. Steve rejoined Yanfeng in July 2018 after holding senior leadership positions with Alstom and General Electric from 2014 to 2018 June.

Before Steve started his career, he earned a B.S. degree in Mechanical Engineering from the Massachusetts Institute of Technology and a M.S. degree in Manufacturing Systems Engineering from Stanford University successively.
